Subject: Thank You!

Robert,

I wanted to thank you and your team for your time and attention yesterday. We at Olin sure appreciated having the opportunity to meet and talk with your folks.

I understand that your team is still reviewing and evaluating our information. As we stated yesterday, please let us know if we can clarify anything or answer any additional questions. We are happy to make our IH specialist available as your team looks at our IH data, if that is of value to you. And we would certainly welcome you back to one of our facilities if time permits – we understand the time constraints under which you are working.

As your team continues its work, we understand that there will be additional follow up questions (a few raised yesterday). I did keep good notes yesterday, but if you would please consolidate your follow up questions and send them to me, we are happy to respond in writing – this will help, as well, with the CBI claims.

Robert, it is a pleasure working with you and your team. We appreciate the opportunity to be of assistance. I look forward to talking again soon.

Many thanks. Have a good weekend!

Lisa
